### "Project #3 – Kerala School Building"

We can all be proud of our support to Orphan Children of India as we have successfully completed the construction of our orphanage project (Project #1) The Hostel now houses over 100 children while educating close to 200 children. Our commitment here is support through an endowment and ensuring that the education level continues to expand through high school.

Our 2nd Project focused on the Homeless here in Southern California.

The support for our Dinner Auction helped us to make contributions to Bishop David O'Connell, Caterina's Club, Mercy House, The Hope Office at St Bonaventure and supporting the homeless through Blessed Sacrament Catholic Church.

This will mark our 3rd Project focused on building a school in Kerala India. As always we have maintained golf fees to be reasonable to attract everyone in the hopes that more will join us for the fundraiser in the evening. Due to site capacity we cannot guarantee registration at the event so sign up early to ensure your participation at another entertaining event. Thank you to all our sponsors, donors, volunteers and participants that supported the event so that so much more could go directly to the children of India.

- **Less than half** of India's children between the age 6 and **14** go to school.
- A little over **one-third of all children** who enroll in grade one reach grade eight.
- At least **35 million children** aged 6 - 14 years **do not attend school**.
- 53% of girls in the age group of 5 to 9 years are **illiterate**.
